

CAP Glider

CAP Cadet Programs
Dedicated to developing
academic and moral
leadership through an
interest in aviation.

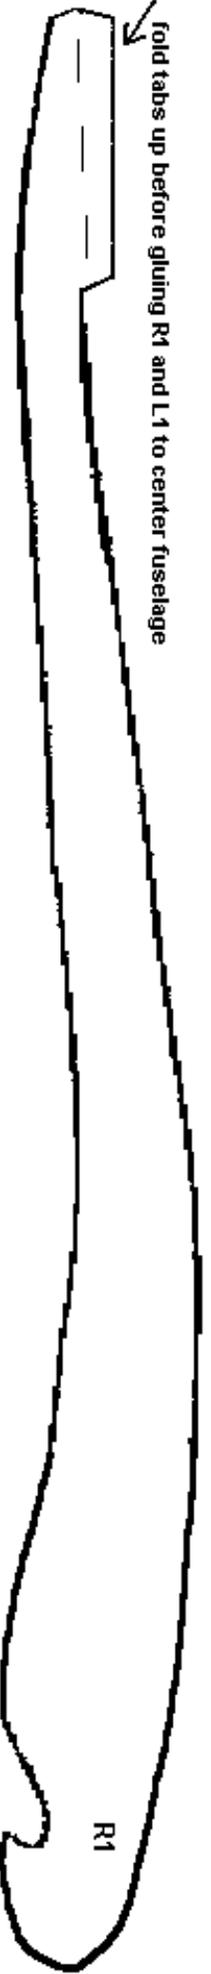

CAP Aerospace Program
Bringing the joy and wonder of
aviation to students of all ages.

<http://internet.cybermesa.com/~blackson/>

Fold wing stiffener under
and glue to bottom of
wing. Cut slits fore and
aft at wing root, and bend
wing to form dihedral.

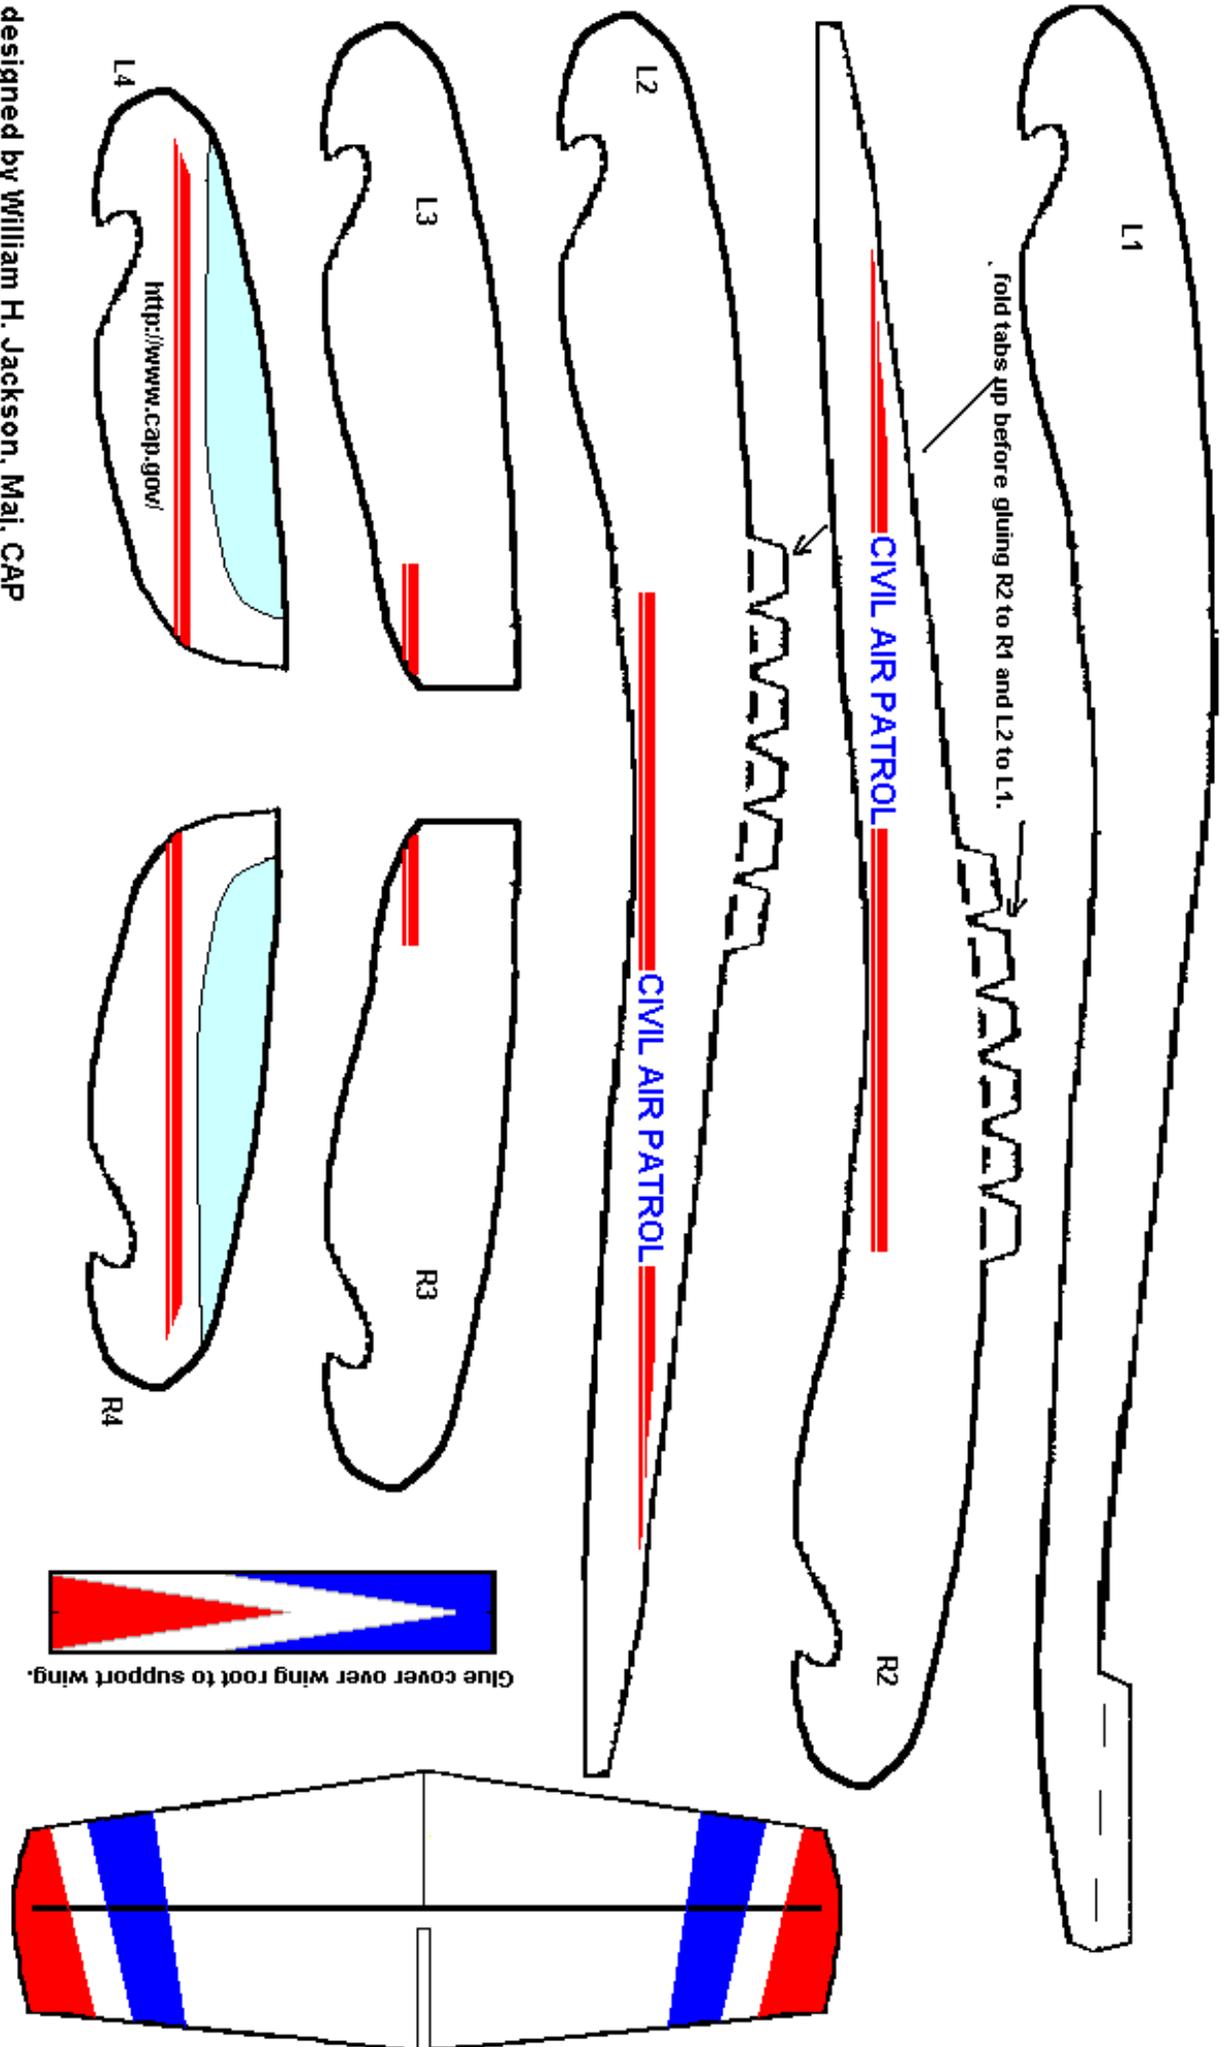

center fuselage

Fold tabs up before gluing R1 and L1 to center fuselage

R1

designed by William H. Jackson, Maj, CAP
